

CORPORATE & FUND
ADMINISTRATION SERVICES

AT THE SERVICE OF FAMILIES FOR GENERATION

We have extensive experience in servicing private clients, families and their family offices. Our support allows you to preserve, manage and grow your wealth in an efficient manner.

We work closely with law firms, private bankers and other advisers on all related wealth management matters to shape solutions tailored to your needs.

This has made us the preferred provider of family office support solutions for the last 50 years.

OUR KEY SERVICES FOR PRIVATE CLIENTS

- > Simplifying your daily life
- > Monitoring and protecting your private wealth
- > Supporting the responsibilities of your family
- > Structuring your private wealth strategies
- > Handling your corporate administrative services
- > Contributing to your financial growth & strategy

We support your ambitions.
